## **MASKS NOW OPTIONAL.**

After discussion w/ staff, clients and the Anne Arundel County Health Department and taking into consideration the current COVID-19 stats, ADI has made the decision to no longer require masks in our building, effective IMMEDIATELY. Hand sanitizer is readily available in each room and both lobby areas. Masks are still available if you would like one. We encourage each person to do what they feel is best for them and ask that everyone be kind to each other and respect each person's decision on whether or not to continue wearing a face mask.

Thank you!
